

Sudoku, Kakuro, Akari and more...

A 4x4 grid with numbers placed at various intersections and corners. The numbers are: 8 (top-left intersection), 20 (top-middle intersection), 18 (top-right intersection), 9 (middle-left intersection), 22 (middle-left intersection, below 9), 11 (middle-right intersection), 15 (bottom-left intersection), and 11 (bottom-left intersection, below 15).

A 4x4 grid puzzle. The top and left edges have numbers indicating the sum of the row or column. The grid is partially filled with black cells.

A 4x4 grid with numbers 19, 13, 11, 17, 13, 7, 14, and 6 on the top and left edges, and empty cells for calculation.
