

## **Purchasing Bass Fretboard Mastery – PalmOS Edition**

The full version of this software costs \$14.95 (USD). It has no time limitation or reminder screens.

Upon purchasing you will be emailed a 'registration key' – this is a short code that you enter into the first screen to 'unlock' the software.

You may buy this software online using your credit card and in certain countries by sending a check to a local office by postal mail.

Payment is accepted in a wide range of currencies including US Dollars, Euros, GB Pounds, AUS dollars etc.

For more information about registering and for a link to the secure server for credit card payments please go to:

[www.janasoftware.com/register.php](http://www.janasoftware.com/register.php)
