EULA – End User License Agreement

PLEASE READ CAREFULLY BEFORE USING THIS SOFTWARE

- The "**CBSE CCE Software**" has been developed by **netbit Technology**.

- By downloading and using this product means you accept all terms and conditions.

- Every care has taken to incorporate CCE Guidelines issued by CBSE even though **netbit Technology** does not claim the exactness and accuracy of the software. CBSE keeps modifying the guidelines from time to time through various letters, circulars and notifications.

- The user is advised to download the software [it will work as **Demo Version**, in the absence of Product Key] first and explore all the features of the software and check the accuracy of result. Purchasing the "**Product Key**" for Full Version will mean that you are fully satisfied with the software. Please read **CBSE CCE Software Manual.PDF** file.

- This software identifies your computer on the basis of hardware configuration. It generates a number called as **Computer ID**. This computer ID is needed to get a valid Product Key. Major change in the hardware and formatting hard disk may change this identification number [Computer ID] and your old Product Key may not work. And hence you need a new Product Key.

- The payment received will not be refunded back in any circumstances. Payment for getting Product Key should be made in advance. Product Key will be delivered on the very same day we receive the Computer ID from the customer. However, it may take few days in some unavoidable circumstances. Product Key will not be delivered if payment is not received.

- The customer is advised to keep a copy of the software and the Product Key safe for future use.

- **netbit Technology** will not take any responsibility in the event of loss of any data, file, and information from the customer's computer while using this software.

- The database file is password protected for security reason and to prevent unauthorized access. The password used will not be provided to the customers with software.

- **netbit Technology** does not guarantee to provide any update in case CBSE brings few changes in the CCE assessment process.

- The term '**CBSE**' and **CCE Logo** used in the software is propriety of CBSE, New Delhi.
