Every body stops
and stares at me
These two teeth are
gone as you can see
I don't know just who
to blame for this catastrophe!
But my one wish on Christmas Eve
is as plain as it can be!

www.punzhu.com

All I want for Christmas
is my two front teeth,
my two front teeth,
see my two front teeth!

49

Fast away the old year passes.
Fa-la-la-la-la, la-la-la-la
Hail the new year, lads and lasses
Fa-la-la-la-la, la-la-la-la
Sing we joyous, all together.
Fa-la-la-la-la, la-la-la-la
heedless of the wind and weather.
Fa-la-la-la-la, la-la-la-la

52

Here we are as in olden days,
happy golden days of yore.
Faithful friends who are dear to us
gather near to us once more.

Through the years we all will be
together
If the Fates allow
Hang a shining star upon the highest
bough.
And have yourself a merry little
Christmas now.

54

A day or two ago,
the story I must tell
I went out on the snow
And on my back I fell;
A gent was riding by
In a one-horse open sleigh,
He laughed as there
I sprawling lie,
But quickly drove away.

51

Frosty the snowman knew
the sun was hot that day,
So he said, "Let's run and
we'll have some fun
now before I melt away."
Down to the village,
with a broomstick in his hand,
Running here and there all
around the square saying,
Catch me if you can.

53

I saw Mommy kissing Santa Claus
Underneath the mistletoe last night.
She didn't see me creep
down the stairs to have a peep;
She thought that I was tucked
up in my bedroom fast asleep.
