All parts of Computer Services for You, LLC software and products are copyright protected.

##### 1.3. Limitation of responsibility

The user/owner of Computer Services for You, LLC free software will indemnify, hold harmless, and defend Computer Services for You, LLC against lawsuits, claims, costs associated with defense or accusations that result from the use of Computer Services for You, LLC software.

Computer Services for You, LLC is not responsible for any damages whatsoever, including loss of information, interruption of business, personal injury and/or any damage or consequential damage without limitation, incurred before, during or after the use of our products.

##### 1.4. Licensed software restrictions

The sale of copies of this software is strictly forbidden. It is a violation of this agreement to rent or lease the use of copies of Computer Services for You, LLC free software products.

## HL7 Tool 1.2f

HL7Tool.exe

### Description:

HL7 Tool 1.2f is an application used to assist in viewing HL7 files and the fields. It accepts files that are either just one HL7 message or a string of messages delimited by a <cr> as in the saved message .msg files from the Cloverleaf Interface Engine® ([www.healthvision.com](http://www.healthvision.com)).

The software has not been package with an install program to keep the size to a minimum.

### Installation:

- Copy the application “HL7Tool.exe” to the desired directory location for this application.
- Create any shortcuts desired

### Un-Installing:

- Delete the “HL7Tool.exe”
- Remove any shortcuts pointing to this application.

### Future Enhancements:

- Multiple file formats
- Editing
- Message navigation (first, last, next, previous, goto)
- Saving to different file names\*
- Message filtering\*
- Bulk message alterations\*

\* Enhancements that will be available on a purchased edition.
