Complete Certification Training Solutions

Study Tips

This product will provide you with questions and answers carefully compiled and written by our Expert Senior Certified Staff. Our practice questions are designed to help you learn the concepts behind the questions rather than be a strict memorization tool.

Important Note:

Please Read Carefully

Repeated readings of our Pass-Guaranteed.com Practice Exam will increase your comprehension. We constantly add to and update our Practice Exams with new questions, answers and explanations, so check that you have the latest version of this Practice Exam before you take your exam.

For security purposes, each PDF file is encrypted with a unique serial number associated With your Pass-Guaranteed.com account information. In accordance with International Copyright Law, Pass-Guaranteed.com reserves the right to take legal action against you should we find copies of this PDF file distributed to other parties.

Update Notifications (Latest Version)

We are constantly reviewing our products. New material is added and old material is revised. Free Updates are available for 180 days after purchase. If you purchased a bundle, you will have Free Updates for 1 YEAR!

You can signup to our newsletter for instant notification whenever an update is released by becoming a Pass-Guaranteed.com member at: <http://www.pass-guaranteed.com/log.htm>

By becoming a Pass-Guaranteed.com member, you also get a chance to win a FREE Practice Exam of your choosing. We give away 3 Pass-Guaranteed.com Practice Exams every week to 3 lucky winners.

Pass-Guaranteed.com Product Specials

Pass-Guaranteed.com Custom Bundle Requests, cover all Pass-Guaranteed.com Products!!! You can visit our Special Bundle Discounts from Pass-Guaranteed.com or make your own Custom Bundle Request with Pass-Guaranteed.com here: <http://www.pass-guaranteed.com/bundles.htm>

***Pass-Guaranteed.com Custom Bundle Request Form let's you create your own Bundle Of Products!!!** You can select and group any of our products for your Custom Bundle and we will give you up to a **50% Discount** on your Custom Bundle Package. This includes our [Practice Test Questions](#), [Online Course Tutorials](#), [Study Guides](#), [Lab Scenarios](#) and our [Certified Online Instructor](#) service.*

Please visit: <http://www.pass-guaranteed.com/custom-request.htm> If you would like to purchase a Custom Bundle from Pass-Guaranteed.com.

QUESTION: 1

Which of the following ports can carry SNMP traffic in a standard environment or configuration? (Select TWO.)

- A. 80
- B. 161
- C. 162
- D. 3389
- E. 1433

Answer: B, C

QUESTION: 2

CCI users are unable to save their documents to a SAN. After checking the Active Directory setup, you verify that all users have been placed in the proper OU, named 'CCIUsers', and the associated group policy is properly redirecting the user's folders. However, when any attempt is made to save a document, an 'access denied' error is received. Checking the folder that the file should be saved to, you notice one of the NTFS permissions is incorrect, thereby preventing the document from being saved.

Which of the following permissions should be changed?

- A. DesktopUsers: Allow Modify; This folder
- B. SYSTEM: Allow Full Control; This folder, subfolders and files
- C. Administrators: Allow Full Control; This folder, subfolders and files
- D. CCIUsers: Allow Read & Execute; This folder, subfolders and files

Answer: B

QUESTION: 3

A customer uses IEEE 802.1q VLAN trunks and RSTP (IEEE 802.1w) in their network. They have asked you to design a CCI solution that will take advantage of these two technologies to best fit their infrastructure.

Which three steps must you take to achieve the customers request? (Select THREE.)

- A. enable Spanning Tree
- B. configure VLAN trunks appropriately
- C. deactivate PVST Interoperability mode
- D. configure IEEE 802.3ad Link Aggregation Groups
- E. change spanning-tree mode from MSTP to RSTP

Answer: B, C, E

QUESTION: 4

A customer wants you to integrate the HP PC Blade Switch redundantly into their purely Cisco network. IEEE 802.1q VLAN trunks are not allowed, and the customer uses Per-VLAN SpanningTree to provide redundant network paths.

What changes must you make to the HP PC Blade Switch to achieve the customer's request?

HP0-145 Demo – Pass-Guaranteed.com

- A. the switch supports this by default
- B. configure the switch for RSTP only
- C. configure the switch for MSTP only
- D. the switch does not support this type of configuration

Answer: A

QUESTION: 5

CCI greatly reduces the Total Cost of Ownership (TCO) when compared to a traditional DT PC.

Which three contribute to CCI's lower TCO. (Select THREE.)

- A. CCI blade PCs are located in a datacenter where they are easy to access, and they come with a rip and replace 3 year warranty.
- B. Thin Clients, the access device of choice for CCI, are solid state devices that rarely break down, so there are fewer desktide visits with CCI.
- C. Using Microsofts Remote Desktop Protocol (RDP) makes it is easy to quickly deploy new images and/or hot patches, and be sure all images get to the targeted devices.
- D. The blade PC image for Windows 2000 has a self-correcting feature that automatically repairs any driver and DLL conflicts when used in conjunction with the Remote Assistance features of Rapid Deployment Pack.
- E. The blade PC enclosure has redundant and hot-swappable fans and power supplies, so even if there are failures the end users will never know and the failed components can be replaced at the support staffs leisure.

Answer: A, B, E

QUESTION: 6

What can the HP Rapid Deployment Pack be used for? (Select THREE.)

- A. remotely control Blade PCs
- B. connect users to Blade PCs
- C. update firmware on the Blade PC
- D. reset the calibration on the sway mitigation buffer
- E. remotely deploy software applications to target systems

Answer: A, C, E

QUESTION: 7

Your customer is very happy with the results of the CCI pilot. They want to migrate 2400 users to CCI. They plan to migrate their end users to HP Thin Clients. There are a number of tasks that must be accomplished to do this successfully.

What are three things that you need to address with the customer when creating this migration plan? (Select THREE.)

HP0-145 Demo – 100% Money Back Guaranteed!!!

HP0-145 Demo – Pass-Guaranteed.com

- A. reserialization of company USB keys
- B. cooling requirements at the end user's worksite
- C. how each end user's data files are to be collected
- D. where the end user's data files are to be stored once moved from their PC
- E. training for the end users so they understand how to log on to their new THin Client and then access a blade PC

Answer: C, D, E

QUESTION: 8

A successful pilot is the most important predecessor to secure a large deployment.

What should you do to ensure the pilot is successful? (Select THREE.)

- A. clearly articulate success criteria for both the client and HP
- B. do not allow the customer to use their own image on the blade PC
- C. establish a clear date you will return to review their testing and collect feedback
- D. provide the customer a comprehensive review of all CCI capabilities and management tools, once the pilot is functional
- E. leave hardware with as many customers as possible, thus increasing odds that one of them will call to request a larger deployment

Answer: A, C, D

QUESTION: 9

CCI can be deployed in three ways. During the Planning Session it is imperative that you and the customer identify what type of deployment each work group needs.

What are the three possible deployment options for CCI? (Select THREE.)

- A. 'Static' with personal data stored on the blade PC's HDD
- B. 'Dynamic' with personal data stored on the blade PC's HDD
- C. 'Static' with personal data stored off the blade to a mass storage device
- D. 'Dynamic' with personal data stored off the blade PC to a mass storage device
- E. 'Versatile' with personal data stored to a USB device via the dongle that attaches to the front of the blade

HP0-145 Demo – 100% Money Back Guaranteed!!!

F. 'Versatile - D/S' with personal data simultaneously synchronized between the blade PC and the end user's personal computer

Answer: A, C, D

QUESTION: 10

What are two ways that CCI enhances end users remote access experience? (Select TWO.)

A. CCI supports all forms of universal decryption.

B. Unlike some other remote access protocols, RDC works at almost any network speed (though faster is better).

C. CCI is in accordance with the International Disabilities Act for Personal Computing Devices (IDAPCD) by enabling universal metronome scaling.

D. Because CCI uses Microsofts free Remote Desktop Connection (RDC) software, end users can download RDC to their personal computer with network connectivity and log on to their blade PC from any distance.

Answer: B, D
