1. HW Diary Plus.prc (Contains HW Diary Plus & Required Libraries)
2. readme.txt (Brief Information)
3. manual.pdf (This Document)

Overview
The following documentation explains how to use the HW Diary Plus program. If you have any difficulties please contact support@varibyte.com.

Installation
Install the program by double clicking on HW Diary Plus.prc. Once installed on the handheld, run HW Diary + to complete the handheld based installation.

Registration
The unregistered version is fully functional for 15 days. After this time period you must register to continue to use the program.

To obtain a registration code for HW Diary visit:
http://www.handango.com/purchase. Enter in Product
ID: 84974 and then click "Add to Shopping Cart".

Register HW Diary Plus by:
On the trial screen tap the "Register" button and then enter in your registration code exactly as given.

On the main screen using the "Options" menu, tap "Register", and then enter in your registration code exactly as given.

Beaming a Demo Version
To beam a demo version of HW Diary Plus to another handheld:

From the **Homework View** open the "Options" menu and then tap "Beam". Then tap "Beam HW Diary +". A total of five files must be sent. A notification will appear asking whether the file was sent successfully. If you tap "No" anytime in the process, all beaming will stop. You must then tap "Beam HW Diary +" to restart the process.
(Note: HW Diary Plus will NOT work without the four libraries.)

Help

To access help, on the "Info" menu tap, "Help". The help section will provide help for each part of the program.

Homework View

This is the first screen that appears when the application is started.

All homework assignments appear on this screen.

To edit homework, tap **E**.

To view grades, tap **G**.

To show only assignments that are not done, next to "Show:" tap ☐.

To show only assignments that are done, next to "Show:" tap ☑.

To show all assignments, next to "Show:" tap **All**.
(You can filter assignments by class only when showing all assignments. To filter assignments by class, tap the arrow on the top right of the screen.)

To sort by alarm, tap ⏰.

To sort by due date, tap **Due**.

To sort alphabetically by class, tap **Class**.

To sort alphabetically by description, tap **Description**.

To sort by whether the assignment is done, tap ☑.

To delete all completed assignments, on the "Options" menu, tap "Delete Done".

<div align="right">

Varibyte

contact@varibyte.com

</div>
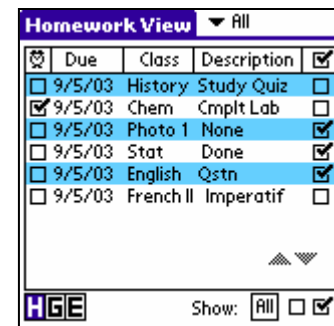

Homework Editor

To return to the "Homework View", tap the **H** button.

To select a class for the assignment, tap the arrow that is next to the word "Class:".

If no classes are entered, across from "Class:" tap the "Edit" button to enter or edit classes. This will take you to the **Edit Classes** screen. More information about this screen is provided further on in the documentation.

Homework assignments consist of three components; an action, an action-type, and a description.

For example you might create and then select an action of Read, a type of Chapter, and a description of 5. This would then be displayed in the "Homework View" as Read Chapter 5.

To select an action for the assignment, tap the arrow that is next to the word "Action:".

If no actions are entered, across from "Action:" tap the "Edit" button to enter or edit actions. This will take you to the **Edit Actions** screen. More information about this screen is provided further on in the documentation.

To select an action-type for the assignment, tap the arrow that is next to the word "Type:".

If no action-types are entered, across from "Type" tap the "Edit" button to enter or edit action-types. This will take you to the **Edit Action Types** screen. More information about this screen is provided further on in the documentation.

To enter a description, tap under the word "Description:" and then enter text. *(Note: When the amount of text becomes larger than the description area a scroll bar will appear. It can be used to scroll through the text in the field.)*

To choose a date, tap next to the word "Due:" and then choose a date using the on-screen calendar.

To set the due date as tomorrow, on the "Options" menu tap "Due Tomorrow".

To delete all completed assignments, on the "Options" menu, tap "Delete Done".

<div align="center">

Varibyte

contact@varibyte.com

</div>

To add a homework assignment, tap "New".

To go to a previous homework assignment, tap "<" .

To go to the next homework assignment, tap ">".

To delete a homework assignment, tap "Delete".

To beam a homework assignment, tap "Beam".

Edit Classes
(Accessed from the Homework Editor)

To enter a class name, enter text in the field next to the
word "Class:".

To add a class, tap "New".

To go to a previous class, tap "<".

To go to the next class, tap ">".

To delete a class, tap "Delete".

To return to the **Homework Editor**, tap "Done".

Edit Actions

To enter an action, enter text in the field next to the word
"Action:".

To add an action, tap "New".

To go to a previous action, tap "<".

To go to the next action, tap ">".

To delete an action, tap "Delete".

To return to the **Homework Editor**, tap "Done".

contact@varibyte.com
</div>

Password

To make changes to your password in the **Grade View**, on the "Options" menu tap "Edit Password".

The first time you edit the password it will be empty. To use a password uncheck "Don't ask for a password", leave the "Old Pswd:" field blank, and write your password in the "New Pswd:" field.

The next time you change your password enter your old password in the "Old Pswd:" field and your new password in the "New Pswd:" field.
Make sure you do not have the "Don't ask for password" check box checked or you will not be prompted for a password.

If you do not want a password, enter your old password and check the "Don't ask for password" checkbox.

Passwords are limited to 20 characters.

Remember your password because there is not a recovery if you forget it.

To mask the password, tap the "Mask password" checkbox.
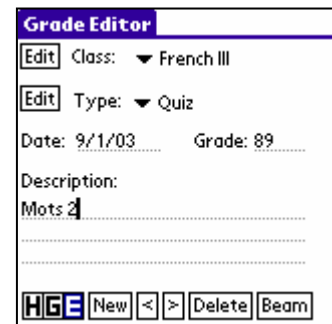

Grade Editor

To return to the "Grade View", tap [G].

To select a class for the grade, tap the arrow next to the word "Class:".

If no classes are entered, next to "Class:" tap "Edit" to edit classes. This will take you to the **Edit Classes** screen. More information about this screen is provided further on in the documentation.

To select a grade-type for the grade, tap the arrow next to the word "Type:".

If no grade-types are entered, next to "Type:" tap "Edit" to edit grade-types. This will take you to the **Edit Grade Types** screen. More information about this screen is provided further on in the documentation.

Edit Grade Types

To enter a grade-type, enter text in the field next to the word "Type:".
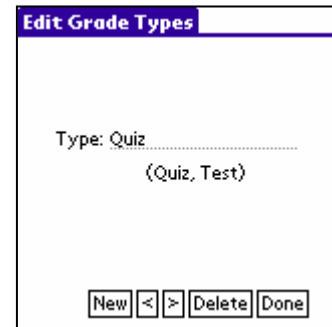

To add a grade-type, tap "New".

To go to a previous grade type, tap "<".

To go to the next grade type, tap ">".

To delete a grade type, tap "Delete".

To return to the **Grade Editor**, tap "Done".
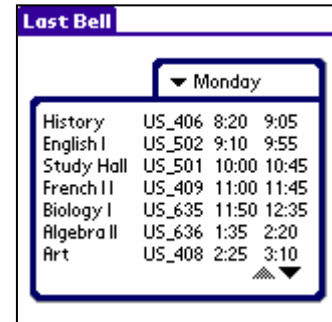

Last Bell

On the menu under "Options" there is a choice called "Last Bell". Tapping this will display a dialog with "Lib not found! Lib=LaBe". To download Last Bell so that this dialog does not display visit:
http://www.handango.com/Platform ProductDetail.jsp?productId=82685.
Last Bell is a schedule manager. All of the classes entered in HW Diary Plus (in the **Edit Classes** screen) will appear in Last Bell and visa versa.

License Agreement

The license agreement appears at the beginning of the installation of HW Diary Plus on your handheld. You must accept this agreement in order to proceed with the installation. A copy has been provided below for further review.

BY CLICKING ON THE "ACCEPT" BUTTON AT THE BOTTOM OF THIS SCREEN, YOU CONSENT TO BE BOUND BY THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO ALL OF THE TERMS OF THIS AGREEMENT, CLICK ON THE "DECLINE" BUTTON, IN WHICH EVENT THE INSTALLATION PROCESS WILL NOT CONTINUE, OR ABORT THE INSTALLATION.

VARIBYTE HEREBY GRANTS TO YOU THE LICENSE FOR *HW DIARY PLUS*. YOU WILL HAVE THE RIGHT TO USE THIS SOFTWARE IN OBJECT CODE ONLY AND *VARIBYTE* MAY MODIFY THIS AGREEMENT AT ANY TIME.

PLEASE READ THE TERMS OF THIS SOFTWARE LICENSE AGREEMENT *BEFORE* CLICKING ON THE "ACCEPT" BUTTON AT THE BOTTOM OF THE SCREEN

TERMS OF AGREEMENT

1. Scope of License Granted.

License. Varibyte hereby grants to you a non-exclusive, non-transferable, royalty-free right and license to use HW Diary Plus ("Software Product") in object code only. The right to use the Software Product includes solely the right to install and use the Software Product on a single Palm OS-based computing organizer.

Restrictions. The license granted to you under this Agreement does not permit (A) distributing or reproducing the Software Product; (B) copying, modifying, merging, translating, reverse engineering, decompiling, disassembling, or creating derivative works based on the Software Product; (C) removing any proprietary notices or labels on the Software Product, or (D) selling, leasing, assigning, sublicensing or otherwise transferring the Software Product. You may use the Software Product on any computer solely for archival purposes.

Varibyte
www.varibyte.com
contact@varibyte.com

Ownership. The Software Product is owned exclusively by Varibyte and is protected by copyrights laws and other applicable laws. Unauthorized use of the Software Product is prohibited.

Documentation. You are entitled to electronic documentation of the Software Product by accessing the Varibyte Website at http://www.varibyte.com.

Support Services. The Company may provide you with support services ("Support Services") related to the Software Product. Any supplemental software provided to you as part of the Support Services shall be considered to be a part of the Software Product and will be subject to the terms and conditions of this Agreement. Varibyte may use the technical information you provide to Varibyte in connection with the Support Services for Varibyte's own business purposes.

2. Disclaimers of Warranties.

In granting this limited license for the Software Product, Varibyte disclaims all warranties of any kind, whether express or implied, including, but not limited to, the implied warranties of merchantability, fitness for a particular purpose and non-infringement, to the full extent allowed by the law.

In accepting the grant of this limited license, you agree to use the Software Product at your sole risk, which risk you further agree to accept. Varibyte makes no warranty that the Software Product will meet your expectations or requirements, or that the Software Product or other services provided by Varibyte will be uninterrupted, timely, secure or error-free. The limited license which is granted for the Software Product is on an "as is" basis. Varibyte also does not make any warranty that the results which may be obtained through the Software Product will meet your needs or that defects in the Software Product will be corrected.

Any material and/or data which you download or otherwise obtain through the Varibyte website comes at your own discretion and risk. You agree that you will be solely responsible for any damage to your computer system or loss of data and that no advice or information, whether oral or written, which you obtain from Varibyte or its employees or agents regarding the Software Product will create any warranty.

3. Limitation of Liability.

Varibyte will not be liable for any indirect, incidental, special or consequential damages resulting from the Software Product including, without limitation, lost data or

Varibyte
www.varibyte.com
contact@varibyte.com

lost profits arising out of or in connection with the license granted hereunder, even if Varibyte has been advised of the possibility of damages.

4. Term; Termination; Indemnification.

Termination. This license shall be terminated automatically and immediately if you fail to comply with any term or condition of this Agreement. If Varibyte, in its sole discretion, at any time determines that you have breached the provisions of this Agreement, it may immediately terminate this Agreement.

Effect of Termination. Upon termination or expiration of this Agreement, all licenses granted hereunder shall terminate. Upon termination, you must destroy all copies of the Software Product.

No Waiver. The failure of either party to enforce any provision of this Agreement shall not be deemed a waiver of such provision. The rights of Varibyte under this Agreement are in addition to any other rights and remedies provided by law.

Remedies. You acknowledge that a breach by you of any provisions of this Agreement would cause irreparable harm to Varibyte, the extent of which would be difficult to ascertain. Accordingly, you agree that, in addition to any other remedies to which Varibyte may be entitled, it may seek immediate injunctive relief in the event of a breach by you of any provisions hereof and that Varibyte will be entitled to a temporary restraining order and preliminary injunction.

Indemnification. In the event of a breach by you of this Agreement, unauthorized or improper use of this limited license, negligent use of this limited license, or any use of this limited license which results in any claim or lawsuit against Varibyte, its officers, directors, employees or agents by any party, you will indemnify and hold harmless Varibyte, its officers, directors, employees and agents for all losses, damages, liabilities, costs and expenses (including actual attorney's fees and all related costs) which Varibyte, its officers, directors, employees and agents sustain or incur.

5. Miscellaneous Provisions.

Trial Version. A trial version of the Software Product may be provided to you.   The terms of this Agreement also apply to any trial version of the Software Product, to the extent applicable.

Compliance With Law and Regulatory Rules and Regulations. By accepting the granting of this limited license for the Software Product, you also agree that, in using the

Varibyte
www.varibyte.com
contact@varibyte.com

Software Product, you will not violate any law, rule, or regulation of the United States and its agencies or any State therein and its agencies.

You also agree that none of the Software Product or underlying information or technology may be downloaded or otherwise exported or re-exported (i) into (or to a national or resident of) Cuba, Iraq, Libya, Sudan, North Korea, Iran, Syria or any other country to which the U.S. has embargoed goods; or (ii) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Commerce Department's Table of Denial Orders. By downloading or using the Software Product, you are agreeing to the foregoing and you are representing and warranting that you are not located in, under the control of, or a national or resident of any such country or on any such list.

Assignment. Nothing stated in this Agreement permits you to transfer or otherwise assign your rights under this Agreement to any third parties.

Governing Law. This Agreement will be governed by and construed in accordance with the laws of the State of North Carolina, without reference to conflicts of law principles.

Partial Invalidity. If any provision in this Agreement shall be found to be invalid or unenforceable in any jurisdiction in which this Agreement is being performed, the remainder of this Agreement shall be valid and enforceable and the parties shall negotiate in good faith, a substitute enforceable provision which most nearly affects the parties' intent in entering into this Agreement.

Notices. Notices under this Agreement to you will be provided either pursuant to written notice or pursuant to e-mail correspondence.
