

Purchase Instructions.

The following instructions describe how to purchase 'Klean Boy'.

While 'Klean Boy' is open in your host software, you need to click on the 'About' tab and then click on the button entitled 'Register Now!' (see below).

A new window should appear, as shown above.

If you don't already have a license key then click on 'If you don't have a key – Click Here.' This will take you to the Internet page where you can fill in your details. After paying, an email will be sent to you with a license key and a link to download the full product.

Alternatively, go to the following address, and click on 'Quickbuy':

<http://www.shareit.com/product.html?cart=1&productid=300140970>

With the license key, follow the same procedure as above up to the point that the registration window is open. Type in your details and the registration key and press 'Register'. 'Klean Boy' is now registered.

Note: The licensed version of this product uses an install executable that includes a separate registration utility. Upon installation you will be prompted to license this product using the registration utility.

Note: A link to obtain the most recent update will be mailed within 48 hours of receipt of payment.
