## ADDITIONAL CONTENT

### **Additional Content and Downloads**

In order to download your product 24/7 and receive updates, please register your product.

To keep download size small, we often make additional content such as iPad templates/mapped instruments, presets and samples available online for registered users.

To register your product:

- [Login](#)
- [Fill out registration form](#) and wait for a confirmation (can take up to 24 hours)
- [Download](#) up-to-date versions and additional content 24/7

We encourage you to make your own content as well, which we will make an effort to share with others in our user content section. [Drop us a line](#) if you have something you'd like to share with the Twisted Tools community.
