### **Introduction**

Thank you for using **Beatsuite.com Production Music Library**. We appreciate your support. We continually aim to bring you a wide variety of high quality music and sound files for your projects. To hear the latest music visit [www.Beatsuite.com](http://www.Beatsuite.com)

### **Usage**

You may use the free sound files including music tracks, music stings, flash loops and flash sounds for any personal or commercial project.

However they **MAY NOT** be used for any kind of third party product/service advertising and/or broadcast use for TV or Radio or any kind of Mass Production use - such as copying to physical media (CD, DVD etc) or non physical media (like web distribution, file sharing, transfer across networks etc.).

If you wish to use them for any reason and are unsure then simply contact us and our team will help you find what you need. Please do not be worried - we are here to help you and will strive to get you what you require.

### **License**

These files are licensed, not sold to you. You may **not** license, sub-license or resell them or in any way claim them as your own.

***- Any illegal use or misuse of our music will lead to legal action being taken against any individual, business or otherwise.***
