## **END-USER LICENSE AGREEMENT**

IMPORTANT PLEASE READ THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT CAREFULLY BEFORE CONTINUING WITH THIS PROGRAM INSTALL

SimonsWare's SSL Certificate Management End-User License Agreement ("EULA") is a legal agreement between you (either an individual or a single entity) ("LICENSEE") and SimonsWare for the SimonsWare software product SSL Certificate Management ("SSLCM") which may include associated software components, media, printed materials, and "online" or electronic documentation. By installing, copying, or otherwise using SSLCM, you agree to be bound by the terms of this EULA. This license agreement represents the entire agreement concerning the program between you and SimonsWare, and it supersedes any prior proposal, representation, or understanding between the parties. If you do not agree to the terms of this EULA, do not install or use SSLCM.

SSLCM is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. SSLCM is licensed, not sold.

### **1. GRANT OF LICENSE.**

SSLCM is licensed as follows:

#### **(a) Installation and Use.**

SimonsWare grants you the right to install and use multiple copies of SSLCM on LICENSEE computers running a validly licensed copy of the operating system for which SSLCM was designed [e.g., Windows 2008, Windows 2012, Windows 7, Windows 8, Linux].

#### **(b) Backup Copies.**

You may also make copies of SSLCM as may be necessary for backup and archival purposes.

### **2. THIRD-PARTY CODE.**

SSLCM may contain or be provided with components which are licensed from third parties ("Third Party Code"), including components subject to the terms and conditions of "open source" software licenses ("Open Source Software"). Open Source Software may be identified in the Documentation. To the extent required by the license that accompanies the Open Source Software, the terms of such license will apply in lieu of the terms of this EULA with respect to such Open Source Software, including, without limitation, any provisions governing access to source code, modification or reverse engineering.

### **3. SUPPORT**

SSLCM support is provided via email. In the event we are unable to resolve your issue via email, telephone support may be available dependent on a mutually agreeable time.

### **4. DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS.**

#### **(a) Evaluation Version ("Evaluation Version")**

If you are running an Evaluation Version, you may install and use the Evaluation Version of SSLCM solely for the purpose of evaluating SSLCM to determine whether to purchase a nonEvaluation Version copy of SSLCM. You may only use the Evaluation Version for ninety (90) days from the date you install, unless otherwise negotiated with SimonsWare. Unless you pay the applicable license fee for SSLCM (and SimonsWare issues you a Registration Key in exchange), the Evaluation Version of SSLCM may become inoperable and, in any event, your right to use the Evaluation Version of SSLCM automatically expires at the end of the Evaluation Period. Notwithstanding any other provision of this EULA, the Evaluation Version of SSLCM is provided "AS IS" without warranty of any kind, express or implied.

(b) Maintenance of Copyright Notices.

You must not remove or alter any copyright notices on any and all copies of SSLCM.

(c) Distribution.

You may not distribute registered copies of SSLCM to third parties. Evaluation versions available for download from SimonsWare's websites may be freely distributed.

(d) Prohibition on Reverse Engineering, Decompilation, and Disassembly.

You may not reverse engineer, decompile, or disassemble SSLCM, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation.

(e) Rental.

You may not rent, lease, or lend SSLCM.

(f) Support Services.

SimonsWare may provide you with support services related to SSLCM ("Support Services"). Any supplemental software code provided to you as part of the Support Services shall be considered part of SSLCM and subject to the terms and conditions of this EULA.

(g) Compliance with Applicable Laws.

You must comply with all applicable laws regarding use of SSLCM.

## 5. TERMINATION

Without prejudice to any other rights, SimonsWare may terminate this EULA if you fail to comply with the terms and conditions of this EULA. In such event, you must destroy all copies of SSLCM in your possession.

## 6. PRIVACY/CONFIDENTIALITY

Any LICENSEE information gathered is solely to provide registration code to LICENSEE and allow SimonsWare to provide support for SSLCM. SimonsWare agrees not to disclose any LICENSEE information obtained from the LICENSEE to anyone unless authorized by the LICENSEE, or as required to do so by law.

In no event will SimonsWare be liable for loss of data or for indirect, special, incidental, consequential (including lost profit), or other damages based in contract, tort or otherwise. SimonsWare shall have no liability with respect to the content of SSLCM or any part thereof, including but not limited to errors or omissions contained therein, libel, infringements of rights of publicity, privacy, trademark rights, business interruption, personal injury, loss of privacy, moral rights or the disclosure of confidential information.
