General Instructions for opening the Student Information System (SIS) - Filemaker 12 or higher

1. Save the files (extracted from the downloaded zip file) in a folder called SIS on your desktop. Create a desktop shortcut of the database located in the folder.
2. The SIS Reports folder on your desktop is where Report Cards and Transcripts will be saved.
3. To open SIS database, double-click on the desktop shortcut. You will be presented with a dialog to enter the following:

Account Name: **SIS_Admin**
Password: **12345**

The SIS application supports 2 semesters (2 terms per semester)

Limitations of Shareware Demo: Maximum number of students allowed in Student Database is 15 and User Count = 2.
There are no other limitations to the software demo.

Contact the Developer for pricing options (pricing based on # concurrent users; student limit is removed)

Technical support by Email is free for 1 year from the date of purchase.
