Primary sections are:

- Common info: shows the equipment the two bodystyles have in common
- Available style name: GT Deluxe RWD 2 (4.6L)" shows equipment for this style only
- Available style name: GT Premium RWD 2 (4.6L)" shows equipment for this style only

Note that this sample shows an actual XML response when the &showstyleloop=1 parameter is set to pull both bodystyles. It is also possible to receive back only the list of styles after common equipment, for a second submission with style ID.

Media and dimensions are not included in this sample
